Canadian Association of Veterans in United Nations Peacekeeping

Kit Shop

Regalia and other Items Available

As we prepare for our Annual General Meeting (AGM) this fall, the Kit Shop would like everyone to know that we have a healthy supply of regalia.

Even though it will be held electronically there is no reason why uniforms or even a casual option should not be available.

If we are to continue to develop our association and support our goals, we need to advertise our existence.

The Kit Shop has recently restocked much of the uniform regalia and is also offering things like golf shirts and baseball caps. Wearing the non-uniform items often generates conversations about our association.

We understand our National By-laws are under review, but the current uniform requirements are clearly explained. Looking sharp certainly makes a good impression. We are all proud of our association and our service, so let's show it.

I will tell you that because of our small size plus the cost of reordering our specialty items the costs have gone up. I suggest that each Chapter encourage members to complete their uniforms before next August. If shipping is an issue, the Kit Shop can make one shipment, containing multiple orders to any Chapter.

Thank you,

Phil George
